

Privacy Policy for azigy

Effective Date: December 19th, 2023

This privacy policy outlines how we collect, use, and protect your personal information.

Information Collection

- a. **Personal Data:** We collect login credentials (username and password) and names for the purpose of creating and managing your account.
- b. **Game Data:** We store data related to user-created game "rooms," including settings and interactions, temporarily in our database. This data is maintained only for the duration the room is active and is deleted once the room is inactive.

Use of Information

The information collected is used for:

- a. Account creation and management.
- b. Facilitating the operation and management of game "rooms", quizzes, and other in-app features.
- c. Improving user experience and app functionality.

Data Protection

We employ industry-standard security measures to protect your data from unauthorized access, alteration, or destruction. However, please be aware that no security measures are foolproof.

Hold-Harmless Clause

Users agree to hold azigy harmless from any claims, losses, or damages resulting from the use of the app, including but not limited to data loss or misuse.

Changes to this Privacy Policy

We may modify this privacy policy from time to time. If we make changes, we will post the updated policy on our web app and update the effective date. By continuing to use our web app after any changes, you agree to the terms of the revised privacy policy.

Contact Information

If you have any questions about this privacy policy, please contact us at azigyteam@gmail.com.

By using azigy, users consent to the collection, use, and storage of their personal information as described in this Privacy Policy.
